MS Access

The screenshot shows the TYPO3 CMS interface. On the left is a navigation menu with categories like 'Web', 'Page', 'List', 'Info', 'Access', 'Functions', 'Versioning', 'Template', 'Mailformplus', 'File', 'Filelist', 'Doc', 'User', 'Task center', 'Setup', 'Workspace', 'Tools', 'User Admin', 'Ext Manager', 'DB check', 'Configuration', 'Install', 'Log', 'Help', 'About modules', 'About', 'Manual', and 'Admin functions'. The main area shows a tree view of a 'New TYPO3 site' with pages like 'Startseite', 'Kontaktformular', 'Produkte', 'Bestellungen', 'Produktauswahl', 'Warenkorb', and 'Kasse'. The 'Kontaktformular' page is selected, showing its configuration. The page content includes a 'Default Text' field with the text 'Hier können Sie mit uns Kontakt aufnehmen.' and a 'Default Insert plugin' named 'Kontakt' using the 'mailformplus' plugin. There are also search and advanced functions sections.
